Homicide Survivors is holding simultaneous Community Outreach Events & Car Wash-A-Thons on Saturday, March 20<sup>th</sup> at 5 different locations across Tucson. We need to raise funds for crime victims & raise awareness in our community. State funds for crime victims have been cut so we must find other ways to raise needed funds! We as a community must band together & raise funds to help innocent families traumatized by senseless acts of violence. Donations are tax deductible. Can we count on your help?
